

July 2007

Dear Colleagues,

We invite you to join or to renew your membership in the Executive Forum (EF) at Western Connecticut State University for 2007- 2008. Membership in the EF is \$100 per year (July 1 - June 30) per organization. This dues payment:

- enables members to receive reduced rates at fee-charging activities of the EF, thus recouping your expenditure quickly,
- gives your organization priority status when enrolling in EF activities, and
- entitles you to resources (e.g., information about funding, relevant articles, etc) and other opportunities.

The EF serves as a resource for executive directors. It is a collaboration between the University and this region's non-profit sector and, uniquely, between the University's Social Work (School of Professional Studies) and Management (Ansell School of Business) Departments. For the past 10 years, (look for upcoming information about our 10th Anniversary celebration) the EF has provided workshops, roundtable discussions, think tanks, networking, leadership development, learning and advocacy opportunities. We know many of you have participated in and benefited from these offerings. This year we also plan to continue our Just EDs- coffee and conversation, and add a Leadership Hour- wine, cheese and networking.

For more information about the Executive Forum visit our website:

Please submit your membership application and fee soon. We look forward to your presence in the Executive Forum and to working with you.

Sincerely,
